

FALL 2008 TREND REPORT

Melanie Lyne is proud to present our Fall 2008 Trend Report.

In the attached file you'll get an advance sneak peak of our Fall 08 collection with highlights of the season's must buys and key pieces.

We look forward to working with you in the weeks ahead as we put away the sunscreen and turn our thoughts to tweeds!

It will be our pleasure to supply you with high resolution photography, product samples, product information or arrange an interview with a member of our Melanie Lyne team.

Enjoy!
